Directions

1. Cut a piece of Evening Evergreen cardstock that measures 11" x 4 ¼". Score at 5 ½" and fold on the score line. This will be your card base. Another option is to cut your cardstock at 8 ½" x 5 ½" and score at 4 ¼". The only difference will be how your card opens.

2. Cut two pieces of Basic White cardstock that measure 5 ¼" x 4". Adhere one to the inside of the card and the other to the front of the card.

3. Cut a piece of Real Red cardstock that measures 5" x 3 ¾". Place inside the Hammered Metal 3D Embossing Folder and run through the Stampin' Cut & Emboss Machine. Adhere to the front of the card.

4. Cut a piece of Evening Evergreen cardstock that measures 4 ¼" x 3 ¼". Cut a piece of Painted Christmas Designer Series Paper that measures 4" x 3" and adhere to the Evening Evergreen cardstock. Add Stampin' Dimensionals to the back and adhere to the front of the card.

5. Stamp the sentiment in Real Red ink onto Basic White cardstock. Cut it out using the Layering Circles Dies. Cut a larger, scalloped circle out of Evening Evergreen cardstock. Adhere the two pieces together. Add Stampin' Dimensionals to the back and adhere to the front of the card.

6. To complete the card, add three Wonderful Gems to the front of the card.

Stampin' Up! Supplies
